Thanks!

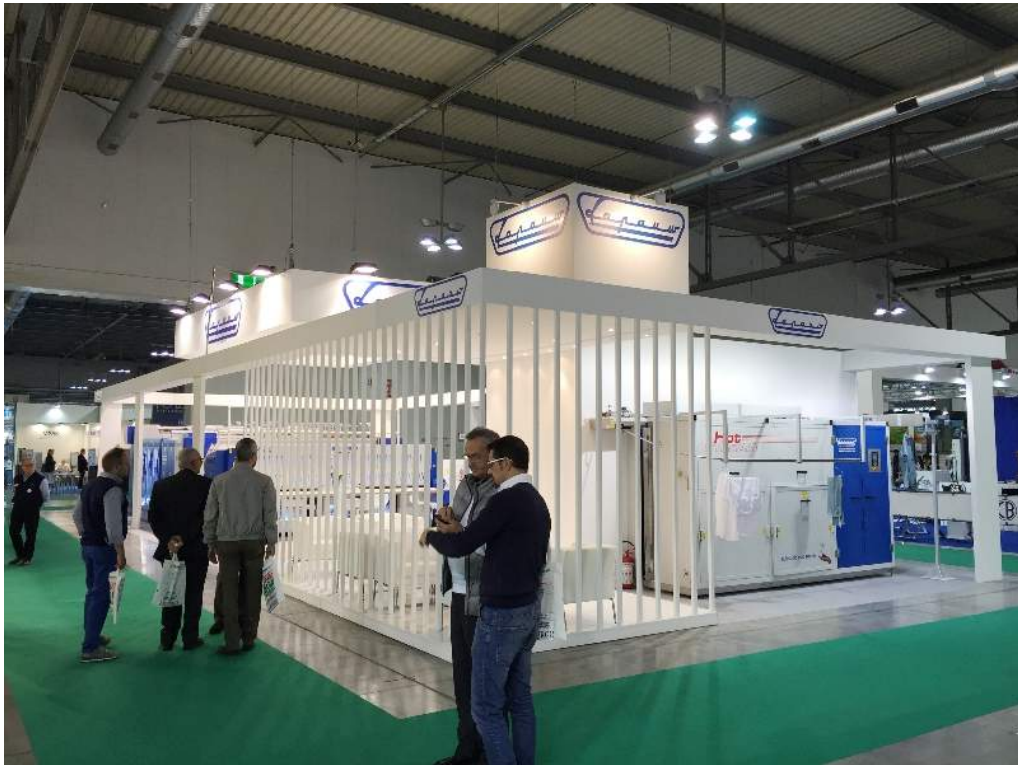

From 3th to 6th October 2014, Fiera Milano (Milan, Italy) was converted into one of the largest fairs for laundries and manufacturers of laundry machinery and equipment: EXPOdetergo 2014. We are proud that we were part of this overwhelming experience. We had a lot of interested and interesting visitors during the extended weekend, and therefore, we would like to say thanks!

We're grateful to every single one that visited our booth at EXPOdetergo 2014!

For everyone who likes to look back, and for everyone who couldn't make it to the fair: here are some pictures of how we experienced EXPOdetergo 2014.

The Lapauw team
