

Season's Greetings

Dear reader,

For Lapauw, 2016 was mainly marked by the Texcare show. For the first time in history, Lapauw was able to show its full range of laundry solutions: washing, ironing, garment and cleanroom solutions. Customers could see live demonstrations on many of our machines. In addition, the new generation of gas heated ironers was launched, bringing a lot of added value to our customers.

2016 will again show a significant increase in sales for the Lapauw group and I want to take this chance to thank our worldwide customers for their trust in our company.

Our team is committed to further fulfil the mission of our company and you may expect more product innovations in 2017.

We wish you a healthy and successful 2017!
